What is the Deliver for Good Campaign?

Deliver for Good is a partner campaign that applies a gender lens to the Sustainable Development Goals (SDGs) and promotes 12 critical investments in girls and women that power progress for all.

Deliver for Good focuses on the whole girl and the whole woman — not just her health needs, her educational needs, or her rights. Deliver for Good connects the issues that affect girls and women through an integrated approach.

Fuel change for girls and women.
